SHAKTI

The Shakti Solution

- Do More With Less: maximize hardware utilization

- Data Storage Efficiency: in-memory and on-disk

- Repurpose existing hardware compute nodes

- Designed to make best use of existing storage systems

- Predictability in results

SHAKTI

Speed Needs Speed

ddn

## DDN is the World's Largest Privately held Storage Company

Market Leader With Global Presence

- 10,000 Customers

- 1000 Employees

- 20 years of Industry Leadership

- 10 Technology Centers Around the World

© 2020 DDN

SHAKTI

Simple Reference Architecture

Summary

- Higher Performance

- Lower TCO

- Proven Track Record

- Runs Anywhere

- Flexible Licensing
